

RESORT VILLAGE OF GLEN HARBOUR COMMUNITY UPDATE FALL 2018

The Village hosted some fun-filled activities this summer:

Garage Sale & Hotdog sale

July 28th/18 – thank you to Lois Parker, June Allen, and Joanne Zummack for organizing the garage sale and to Roger Kehler and Harry Zummack for cooking and serving the hotdogs. Another similar event is scheduled for July 2019

Joanne Zummack selling her wares.

Roger Kehler serving hotdogs to a hungry customer. Many people came from other resorts as far away as Sask Beach and Strasbourg.

Pancake Breakfast – Sept 2/18 Thank you to those that volunteered : ticket sellers, sausage & pancake cooks, pancake mixers, servers, set up and clean up.

Gary Carr and Harry Zummack cooking

Families enjoy breakfast together on a beautiful sunny morning at the beach. A big thanks to all those who supported the event.

The Village enjoyed the fun of **Horseshoe Tournaments** every long weekend thanks to Brent and Jacqui Pfeifer. Ken Loszchuk has been spending many hours getting the new horseshoe pits ready for next season. The move to the new pits beside the Fred Shtuka Community Center will take place as soon as the new grass is ready.

A huge thank you to Stan Dahl for creating our little **Book Swap** house and placing it in a strategic place on the Harvey McEwen Community Park, for all to access. If you haven't "swapped" books yet, give it a try.

It's the end of another summer season so thank you to Trevor Sebastian for his annual installation and removal of the **buoys in the swimming area.**

The July 1st **Fireworks** display was AWESOME! This is not a Sports and Rec event, but is planned and implemented by Glen Harbour volunteers. Thanks to Tommy and Dwayne for setting off the fireworks, Brent for organizing the affair, Silton General Store for their "deal" on the purchase of the fireworks, and all those who volunteered to collect money and to those who contributed to the cost.

A **new dock** was installed. Bumpers will be added next spring to make the dock even better. Residents appreciated the ease with which they could launch their watercraft.

FYI: Landfill dumping fee \$20.00 for non-member which includes Glen Harbour.

Check our website www.resortvillageofglenharbour.ca for information about events, meetings etc.
