

A Message from the Mayor and Council of the Resort Village of Glen Harbour

As the newly elected Council for the Resort Village of Glen Harbour we would like to start by officially introducing ourselves to the residents of Glen Harbour who may not be familiar with who we are.

Mayor: Ron Ulmer
Councillors: Deb Kachluba
Art Berg

With each of us being new to our roles and no previous Council experience we have a lot to learn. We are very committed and understand that there are a number of things we need to get better at. We have a very knowledgeable and experienced Administrator (Michele Cruise-Pratchler) who is assisting us; but we also require residents to be patient and understanding as we work our way through the workings of administering a Resort Village. As Council for the Resort Village of Glen Harbour we are committed to doing what is best for the community which may not necessarily meet the expectations of every individual. Residents who have questions and/or concerns should contact a member of Council to discuss.

Community Plan and Zoning Bylaw Study/Review

The previous Council entered into an Agreement with a planning consultant to prepare a new Community Plan and Zoning Bylaw for the Resort Village. The consultant will be presenting a draft plan to Council for consideration in the near future. We will continue to communicate with residents as we learn more.

Please provide us with your email address

Council encourages residents to provide their email addresses so that you can receive meeting notifications, newsletters, emergency notifications, and so on. If you have not already done so, please forward your email address to rvglenharbour@sasktel.net.

Snow Removal

Council has been fortunate to secure the services of Resort Village resident Ken Loszchuk to tend to snow removal in Glen Harbour for the 2012-2013 winter season. Ken will ensure that the roads are cleared as quickly as possible after a snow event. Residents needing to contact Ken regarding a concern about snow can do so at 306-729-1873.

Next Meetings

Dates of upcoming Council meetings will be posted on the website once the dates are determined.
