

Camper Trailer/RV - Temporary Use Policy 2023

Purpose

To permit residents of the Resort Village of Glen Harbour to temporarily use a seasonal camper trailer/recreational vehicle on their vacant lot, or lot with garage only.

Scope

This Policy applies to all Glen Harbour residents with a vacant lot, or lot with garage only. This Policy will be in place for the 2023 camping season only.

Policy

- One camper trailer/recreational vehicle per lot
- All grey water and sewage must either be hooked to a septic tank; or be disposed of through a septic hauling service. Under no circumstances can grey water or sewage be discharged into or onto the ground.
- Valid for 2023 camping season only
- Upon completion of the review/revisions to the Zoning Bylaw, residents must comply with new laws related to camper trailers and recreation vehicles.

Background

- Based on the most recent survey conducted; the majority of respondents are supportive of the use of camper trailers/recreational vehicles on their empty lots.
